

# Great Books for Babies & Toddlers

It's never too early to begin reading to your baby! Here is a short list of some great authors who write for babies and toddlers. All of these books may be found on the Easy shelves in the Children's Room, except as noted. And remember, babies love to hear your voice and snuggle no matter what you read to them.

\*Be sure to visit our Mother Goose section in the story Hour Room!
