IVPL Foundation of Friends Dinner in White

Recently, on August 19th, we hosted the 4th Annual Dinner in White at Souderton Park, with the delightful participation of 240 guests. The weather was pleasant, and we relished delicious food, danced to our heart's content, and ended the night with a sparkler send-off. The highlight of the event was raising over \$16,000, which will be utilized to support IVPL, making it all the more significant..
