

National Library Week

The theme for National Library Week 2024, “Ready, Set, Library!,” promotes the idea that in our always-online world, libraries give us a green light to something truly special: a place to connect with others, learn new skills, and focus on what matters most. Find your crew at your library’s author talks, workshops, and book clubs.

No matter where you find yourself on the roadmap through life’s journey—preparing for a new career, launching a business, or raising a family—your library provides an inclusive and supportive community where everyone belongs.

Get ready to explore, become inspired, and connect with your library this National Library Week. Libraries are there for you, all the way to the finish line.

- Do you love getting lost in the stories of the library’s summer reading program, storytime, or book club?
- When you walk through the library’s doors, are you looking for a quiet nook to study?
- What’s your favorite thing to check out—books, movies, cake pans, seeds?
- Do you attend programs to enrich your mind, meet local authors, or find support from your community?

We want to know how YOU library!
