# National Library Month

IVPL encourages all community members to visit the library during National Library Week, April 23-29, to explore all they have to offer.

Most people know about the wealth of stories available at the library, from picture books and large print to audiobooks and ebooks. But there's so much more to the story of libraries.

IVPL is a welcoming space that brings the community together for entertainment, education, and connection through book clubs, storytimes, movie, crafting classes, lectures, and more. Check out all of the activities available [www.ivpl.org](http://www.ivpl.org).

IVPL also plays a critical role in the economic vitality of our community by providing internet and technology access, literacy skills, and support for job seekers, small businesses, and entrepreneurs.

Here at IVPL we value our volunteers for all the expertise and hard work they provide. To honor our volunteers during National Volunteer Week, we purchase items for the collection in their name. Each volunteer selects books or DVDs that are of interest to them.
