

## Library Funding

**Library Funding**

### Municipal

IVPL receives funding from five of the six municipalities in the Souderton Area School District. These municipalities include: Franconia, Lower Salford, Salford, Souderton and Telford. This amount constitutes about 70% of our yearly income.

Municipality	Assessment	Millage	Annual
Franconia	866,642,387	0.00033	285,991
Lower Salford	1,144,130,114	0.00033	377,554
Salford	211,137,790	0.00033	69,675
Souderton	290,501,060	0.00030	87,150
Telford	204,436,390		45,000
			\$865,370

### Self-funded

IVPL self-funds the budget by collecting fines and fees, through their Annual Appeal, and profits from the used book sales. We also seek, when possible, grant funding. These numbers are variable and are different every year. This income constitutes 17% of our overall budget.

### State

State money comes from Commonwealth Libraries, a Department of Education. This year we received our first increase (18%) in State funding since the drastic cuts in 2008-2009 budget (30%). We continue to work hard with the legislature to restore much needed funding. This constitutes 13% of our yearly budget.

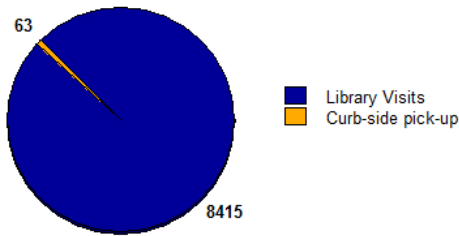

The VNA Foundation of Greater North Penn recently announced their Spring Grant recipients. IVPL is honored and thankful for \$6,500 in grant funds to support the library.

The VNA Foundation of Greater North Penn is a private grant making foundation that invests in nonprofit organizations strengthening the health and well-being of people in the Greater North Penn region of Montgomery County.
